Contact info if we have any questions: \_\_\_\_\_

River trip lunches include: Bottle of water or soda, small chips and Macaroni salad, Pasta salad, or Coleslaw.

We do our best to provide the lunch you want, however some things are out of our control (vendors, timeliness of order, etc). If we do not have one of your drink choices we will default to water. If for some reason we can't make the type of sandwich you ordered we will try and contact you from the information above. Although we can handle orders made the day of your trip, the more advanced notice you give us, the more likely we will have all your preferences.
